Anxiety Control 24[†]
For Pets

AGGRESSIVE BEHAVIOR

HTP10 – Use 1 capsule per 15 pounds, twice a day. If over 75 pounds, use one **5-HTP**. Another option is to use 1 capsule of **L-T** in your pet's water bowl to calm (< 30 pounds); if over 30 pounds, dissolve 2 capsules in water bowl. **HTP10 60 caps \$15.95 / 5-HTP 60 caps \$16.95**

HEALTH AND NUTRITION

Omega-3 Pet – Omega-3 fatty acid derived from 100% wild anchovies and sardines. High levels of DHA and EPA per serving. Use 1 capsule for every 20 pounds of body weight. *Larger dogs:* add capsule to food. *Smaller dogs and cats:* puncture capsule and apply oil directly onto food or serve by itself. **Omega 3 Pet 90 softgel \$18.95**

Taurine – Critical for the health of your pet's heart, eyes, and brain **Taurine 500 mg 100 Caps \$10.95**

Dr. Goodpet Treatamin – Vitamin treats for dogs & cats. Use as a daily vitamin and mineral supplement, as a treat, or a reward and training aid. **Treatamin 180 Tablets \$12.95**

Pets don't get enough Taurine in most commercial pet foods.

Your dog or cat was not born with a deficiency of Prozac or other SSRI in his brain!

Capsules can be opened and sprinkled on food or mixed in cream or soft cheese.

Our products support your pet's health!
